2. General

ScanSnap document scanners are designed and manufactured by PFU LIMITED, a Ricoh group company. They are marketed and supported in EMEA by PFU (EMEA) LIMITED, a subsidiary of PFU LIMITED.

PFU (EMEA) LIMITED (hereafter “PFU”) warrants that ScanSnap document scanners are manufactured from high quality components that are free of material defects and perform to their specifications. PFU does not warrant error free or uninterrupted operation of the Product.

3. Validity

This Service Plan is valid for 5 years from the date of the original purchase of the scanner Product which is registered against the Service Plan.

Any replacement of the Product will not extend the extended warranty period. Alteration, defacing or removal of the Product’s original factory label containing the Product’s unique serial number, will invalidate the extended warranty.

4. Proof of Purchase and Product Registration

PFU reserves the right not to provide services described in the Service Plan unless proof of entitlement can be established. PFU provides an online registration site ([ScanSnap Registration](#)) to register the purchased Service Plan against an applicable scanner Product(s). Registration of Service Plans against an applicable scanner Product(s) must occur within 90days of purchase.

Once your Service Plan has been registered against an applicable Product you will be able to download a certificate of entitlement to service from the registration site.

Registration will require a PC or mobile device with an Internet Connection. This process involves collection of a serial number, model number as well as some Personally Identifiable Information.

For more details on how we process your personal information please view our [Privacy Policy](#).

5. Scope of Services.

Provided that the Service Plan has been registered then technical support and repair services of this Service Plan will be provided free of charge until expiry, by PFU and/or PFU approved agents.

If the Service Plan has expired, then any requested services will be subject to PFU's current service charges.

9. Cleaning & Daily Care.

To maintain optimum image quality and feeding performance, it is necessary for the scanner operator to clean the Product regularly, using the approved cleaning materials and guidelines outlined in the operator's guide. The Service Plan does not cover image quality issues or feeding issues that are attributable to the absence of cleaning & daily care. In such instances, PFU reserves the right to apply charges for the service. Approved Cleaning kits can be purchased from your preferred scanner supplier or they can be purchased from the [PFU EMEA Ecommerce site](#).

10. Consumables.

To maintain optimum performance of your ScanSnap, consumable kits may need to be purchased to replace consumables that become exhausted through normal use. Fitting of replacement consumables is your responsibility. Guidelines on how to fit consumables are contained in the operator's guide. We recommend that you keep a spare set on hand to maintain operation of the Product. The Service Plan does not cover the replacement or the fitting of consumables. Consumable kits can be purchased from your preferred scanner supplier or they can be purchased from the [PFU EMEA Ecommerce site](#).
